KIMBERLEY & TOP END

www.twosacrowd.com.au

The Top End and The Kimberley region is an enormous area of remote rugged beauty, with striking rock formations, cascading waterfalls and cooling waterholes, impressive stone escarpments carved with chasms and gorges, and lush mangroves teeming with birds and wildlife.

It is also a land that is spiritually rich. With its ancient Indigenous culture and incredible natural diversity, this is an epic 14-day journey that will certainly blow your mind! The tour has been meticulously designed to take you right into the heart of the region to explore our favourite attractions, while still maintaining that perfect balance of activities and a comfortable pace.

Our tour is fully accommodated, with no camping. Each night, you will stay at either lodge, resort, hotel or motel accommodation, and of course you will have your very own room/cabin with ensuite facilities.

The 14 day tour begins in Darwin, the capital of the Northern Territory and will take you through Kakadu National Park and Nourlangie Rock, before travelling southwest from Katherine to the border of Western Australia and to the magnificent Lake Argyle.

We then head towards Broome, and, on the way, get the opportunity to immerse ourselves in a myriad of leisurely activities, from viewing the monumental rock formations of Purnululu National Park (Bungle Bungle mountain range), to moderate hiking through spectacular stone gorges such as Katherine, Emma, Geike, Chamberlain and Tunnel Creek.

We will enjoy lots of swimming opportunities along the way, usually at the base of breathtaking waterfalls, including the stunning Emma Gorge and Zebedee Springs Thermal Pools.

Our tour wraps up in Broome where we'll spend two nights at the iconic Mangrove Hotel.

What a fitting way to end 14 days of exploring such a breathtaking region of Australia.

Will you join us?

**Day 1 - Tuesday 6th August 2024

DARWIN – KAKADU (B/L/D)**

An early start this morning as you make your way towards the World Heritage listed Kakadu National Park, travelling along the Arnhem Highway and into Fogg Dam Conservation Reserve. It is the largest national park in Australia, which hosts some of the world's finest Aboriginal rock art and a mind-boggling variety of habitats, including floodplains and savannah woodlands.

Your first stop within the park is Bowali Visitor Centre, where you can gain insight into the landscapes and wildlife of Kakadu. Then you head to the very north of the park, to Ubirr where you will enjoy a guided walk through galleries of ancient Aboriginal rock art. Beneath gorge walls rising 90 metres, you can search for freshwater crocodiles, local birdlife and indigenous bush tucker.
